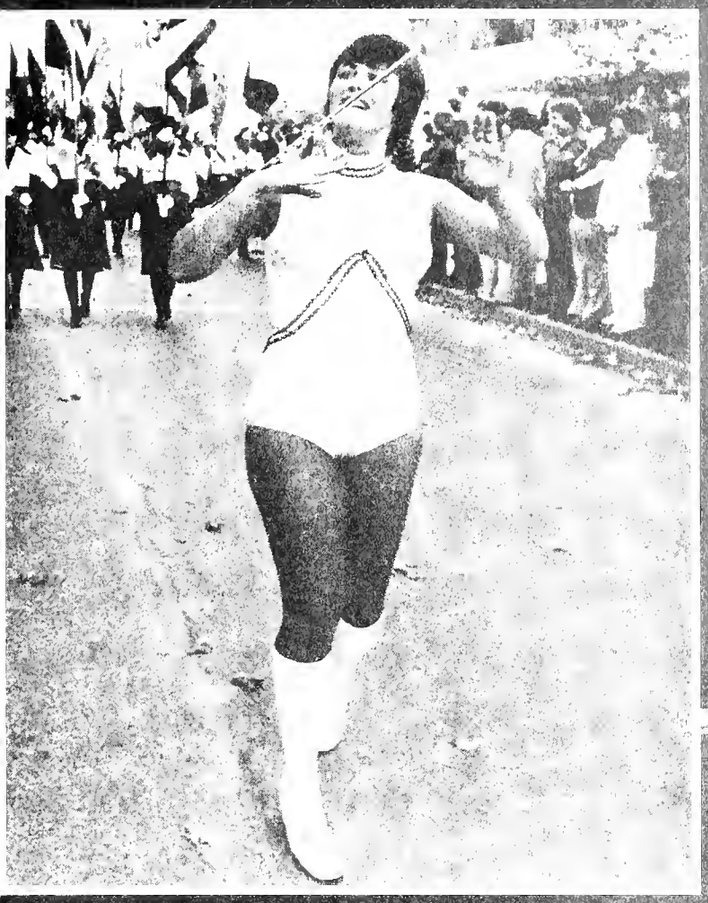
1979-80 Homecoming Queen
Linda Lucas



It's That Time Again

A highlight every year is homecoming. It is a time for expressions of sisterhood, honor and appreciation to be shown to one lucky senior girl in each sorority. Lots of giggles, lots of tears, lots of work and lots of fun makes winning or losing worth while.

Linda Lucas, independent candidate, was elected queen by the males on campus. Representatives from the sororities were Tracey Dover, Sigma Alpha Tau; Cheryl McRoberts, Tau Epsilon Mu; Michelle Baker, Kappa Phi Omega; Mary Beth Bernard, Rho Kappa Delta; Sallie O'Dell, Theta Nu; and Cathy Smailes, Epsilon Kappa Tau.

"The Miracle Worker"

Some new directions were present on the Cowan Hall stage when Mary Rose Molinaro displayed an excellent performance of the deaf and blind girl, Helen Keller, in the Otterbein College Theater production of "The Miracle Worker." What director Donald L. Paisley explains as "the part of all of us that hopes" is what was felt by those who viewed this fall homecoming production.

"The Miracle Worker" took its place among other excellent Otterbein College Theatre productions.

Sleeping Beauty

Richard Tatgenhorst, a handsome blond prince, and Fontaine Follansbee, a princess cast under a spell to sleep for 100 years, teamed up in the Otterbein College Childrens' Theatre production of "Sleeping Beauty". The production was directed by Petie Dodrill and the costumes were designed by senior Carl Ritenour.

1980 May Day

May Day centered around the theme of "Camelot." Balloons, flowers and a backdrop of a castle made a perfect day for the crowning of a queen. Wendy Cameron was elected 1980 May Day Queen with her court being Debbie Plasterer, Jenara Frasure, and Kerrie Wagner. Sue McDaniels crowned the queen and resigned her reign.

Spring Music Fest

A variety of musical talent was seen at the annual Spring Music Fest. The food service coordinated an outdoor picnic and many enjoyed the music of the Liturgital Jazz Ensemble.

Guys & Dolls

A first-rate cast highlights another Otterbein production, "Guys and Dolls". A story of gamblers and their bet on whether their main man falls for the Salvation Army mission "doll" leads to a quick jet trip to Havana, a crap game in the mission, a broken 14-year engagement, a prayer meeting and the predictable resolution of two couples. Fontaine Follansbee and Rich Tatgenhorst lead the cast as leading couple. Director Charles Dodrill succeeded in bringing his talented cast together to present a well-timed and energetic show.

"Follow A Challenge"

The moment we all wait for after attending school for four years is graduation. "Follow a challenge, reach for a chance", was the theme of Baccalaureate service. Members of the class of 1980 who spoke were: Bill Conard, Nancy Day, Karen Radcliffe, and Kyle Yoest.

Department Of Integrative Studies In The Nature Of Man

Integrative studies courses are directed toward the common theme, "the nature of man," and attempt to integrate, over the four years of an undergraduate education, perspectives from a variety of academic disciplines in the arts, the natural and social sciences, literature, religion and philosophy. The courses provide the student with intellectual tools with which to face rationally the problems of contemporary and future humanity.

Chairperson: William Hamilton

William Hamilton

Department Of Chemistry

The Chemistry Department at Otterbein College has a lot to offer students interested in chemistry. Students majoring in chemistry with a minor in engineering, computer science or some course of study in health, for instance, have made available for themselves a large variety of careers.

Football

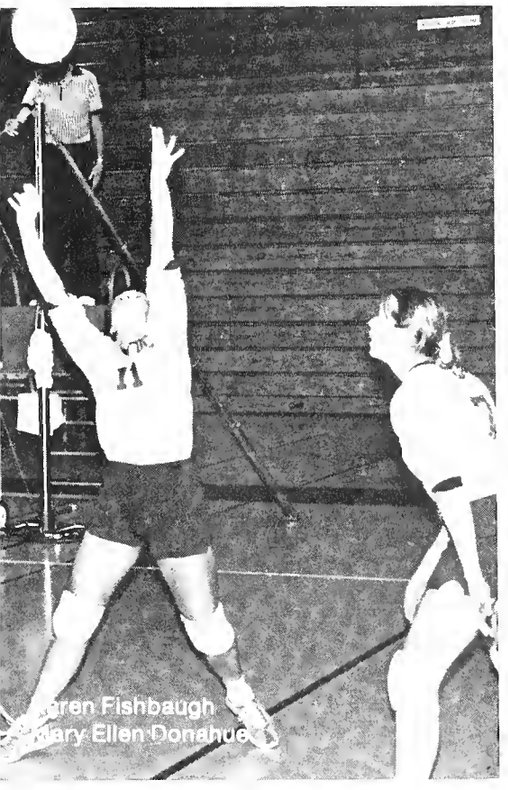
Cries of victory — excellent weather — senior co-captains Greg Cobb and Wayne Cumberlander and a large recruitment of freshman gridders couldn't help but spark the fighting Cardinals onto a victorious season in '79. Six wins and two losses was a season record that coach Rich Seils, the players and the fans could all be pride of achievement. In season play the Cardinals defeated the Bishops of Ohio Wesleayn 24-0 and Heidelberg College 34-14. Homecoming this year was graced by a rousing 14-13 defeat over opponents Capital crusaders.

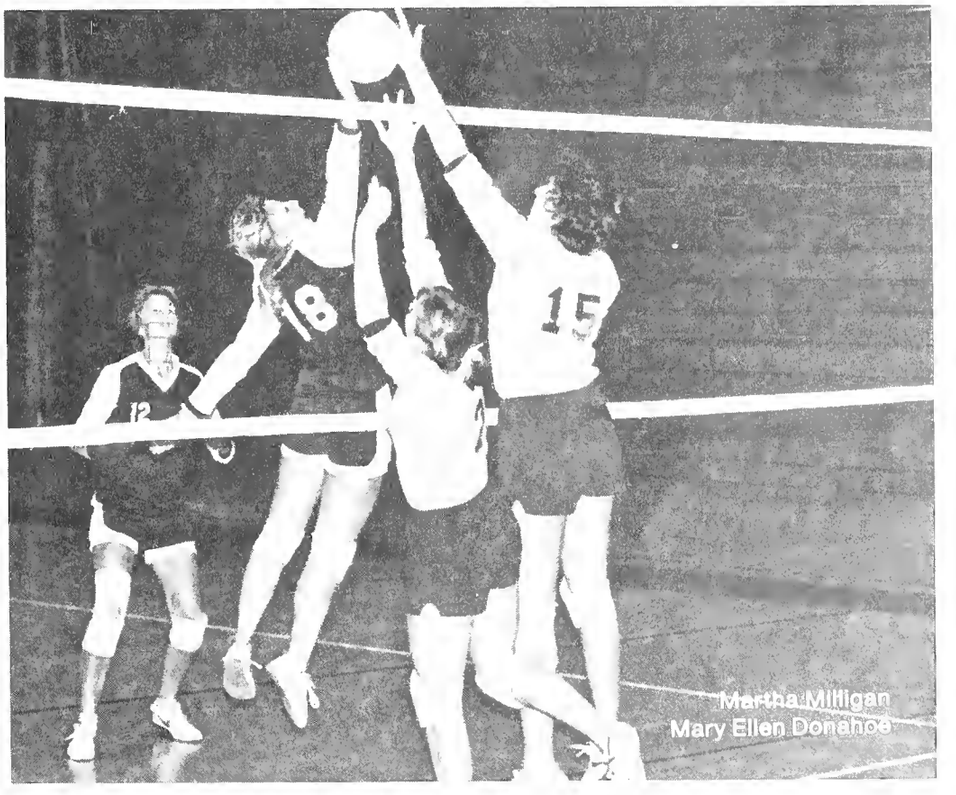
Soccer

This was the fourth year that Otterbein has had a soccer team. The team has high hopes of going Varsity in 1980-81. Six games were played this year, with one win and five losses.

Volleyball

A challenging schedule made a long season for the women's volleyball team. A season of stiff competition made the team work as a unit and try harder. Otterbein was eliminated in the first round of the tournament by Capital, 8-15, 15-12, 7-15. The team played very well but the serving hurt them. The outlook for next year is bright because there were six underclassmen who saw quite a lot of playing time this season.





Basketball

With a strong list of competitors, the basketball turned out to be a challenging one. Individual efforts combined to unite the team for winning games. Ron Stewart, a freshman guard, was a catalyst for the team. Dave Fahrbach, Doug Petty, andRon Stewart received honorable mention for the 1979-80 All-OAC team.

Girl's Basketball

Aggression and defensive patterns were the keys to the Otterbein women's basketball team. With a young team, there are encouraging hopes for a well-rounded team next year. Karen Horn and Deb Hoar will be sincerely missed in the starting line-up.

Baseball

Otterbein baseball was at its best again with many Cardinals selected for making the year a success. Dean Smith set a school record with 51 runs scored, led the team in walks with 38 and in stolen bases with 12. Randy Pontius was listed ninth in the nation of the NCAA Division 3 stats. Doug Barr set a record with ten homeruns and 12 doubles. With pitchers at their best next season, the year looks like a promising one.

Dean Smith

Tennis

The women's tennis team finished second in the five-team OAISW Southeast Satellite Tournament. Four qualified for the OAISW State Tournament; Linda Lucas, Lyn Ballinger, Polly Subich and Lori O'Brien. Most of the 1980 team will return next year for an expected good season. Lou Slater went to the Midwest Association for Intercollegiate Athletics for women tennis tournament. She was the first to qualify for the regional tournament from Otterbein.

Softball

The 1980 softball season proved to unite the team and to increase confidence at each game. "The potential is there, but our record didn't really show our strength," stated Coach Audrey Ambrose. Their record was 7-11, and winning against Wooster and Ohio Wesleyan in OAISW Tournament. The team only lost one senior, therefore experience will be anticipated next year.

Barb Connelly

Track

Sparked by some outstanding individual efforts Otterbein managed to climb to third place in the Ohio Conference Championship. Two of the best efforts came from junior co-captains Wayne Woodruff and Bob Gold. It was team work with every one contributing. The only school record was set in the 3000 meter steepleshase by sophomore Hall Hoplins. His time was 9:25.9.

Rho Kappa Delta

Rho Kappa Delta, one of the largest sororities on campus at one time has been reformed. After the membership in Rho Kappa Delta dwindled to practically nothing a group of girls banded together in 1979 to try to get the sorority started. Currently a lack of new pledges has prevented the sorority from engaging in many of the campus events.

Zeta Phi Is Forced To Disband

Cries of "don't let Zeta Phi die," may have proved to be successful in some students eyes as the spring of 1980 still saw the group bound tightfully together. But according to the Board of Trustees the fraternity was officially disbanded. After being put on probation, that final party did it. No longer could Zeta Phi be an official fraternity on campus. Even though the fraternity could no longer meet, the strong bond of brotherhood and friendship between the men was hard to break, as they still reamined an organization in their own eyes.

Jonda Continues Onward

A seemingly profound part of college life that almost every male greek has at least one hour a day set aside for is foosball. The fellows at the Jonda House are no exception. Jonda claims to have a few of the campus foosball champions in their ranks.

As in years past, Jonda's Hairy Buffalo party proved to be a huge success among the freshmen during the rush season this year. It would be entertaining to know how many Otters swore they "would never drink again" after that night.

"Place your bets please." The odds are not very good if you bet that the freshmen did not have a good time at the King's Casino Royale. This year at the Berkshire Party House, the annual party that the Kingsmen sponsor was bigger and better than ever before as the spirits flowed freely.

Impromptu music filled the air around the Sphinx House during Spring 1980, when members of the fraternity's own, fame to claim, Razz Band decided to stage a practice just for the ladies in Clements Hall. Although it seems that some of the other neighbors on Home Street did not appreciate the music of the Razz Band — so they filed a complaint. Oh well!

Scott, Garst And

Many girls prefer to live in Garst and Scott Halls as opposed to the other dorms on campus. One reason for this is their location. These dorms are close to the Rike Center. They are in a quiet vicinity, being away from a main street and separated from the major sector of campus. These dorms, including Engle, have a very active resident hall program. They participate in many activities among the three dorms and also with the other dorms on campus.

Engle Halls

Due to the large number of incoming male students the college was forced to use the second floor of Engle Hall for the first time in years. Posing in a nearby cemetary are the men of Engle Hall otherwise known as "Engle Jingle."
